

**MATT FREGON MP**  
STATE MEMBER FOR ASHWOOD DISTRICT

## **BIRTHDAY CARD ARTWORK WORKSHEET**

Most politicians like to send out birthday cards to the seniors in their local community for their milestone birthdays. We would love to see our youngest Ashwood District residents artwork on these birthday cards, which in turn will be sent out to some of our eldest!

We are inviting all of our local primary schools to submit drawings from their students that would suit a birthday card!
